

## Session One Questions:

1. What did you hear this morning that your team could start doing this week?
2. Which of the “whats” you heard would you need to change while still keeping the “whys”?
3. What problems would you anticipate if your club started doing these things? (for example - not enough leaders, need a bigger club room, etc...)
4. What was Jesus response in Mathew 14:16 to the disciples when they told Him to send the crowds away because they felt inadequate to meet their needs?
5. What do you think would happen if you just went ahead and created those problems for yourself and allowed God to meet you there?
6. Between now and the first day of school, how many one on ones with kids do you have planned to speak vision into their lives and give them a reputation to grow into?
7. Who would you invite to a F.A.T. kid meeting on the first week of school? College kids who went to Work Week or did Summer Staff this summer for Young Life College? Eighth Graders who went to Wyldlife Camp? Campaigner kids? Young Lives girls from last year along with their Mentor Moms? Capernaum kids who would love something to own in their lives? Make a list with names.
8. Shoe Polish, T-shirts and an Ad in the Paper? What would that look like in the context of your ministry? (lanyards, chalked sidewalks, dry erase boards in class, rub on tattoos, wristbands, PTA newsletter, Mom Email Blast... BE CREATIVE!)
9. Use the back of this page to list everything (with dates) that you will do before first club to give vision and make sure EVERY KID is invited.
